1/ Detail for 1% Transfer Authority included on Attachment 2.

2/ In addition to funds reflected here, CDC is contributing \$4.5 million to the Secretary's 1% transfer to ASPR/BARDA.

3/ This amount reflects a reprogramming within the Ebola PHSSEF appropriation that was previously reprogrammed for Zika response on April 6, 2016. The funding was made available to HRSA for Zika Countermeasure Injury Compensation and will be redirected to BARDA for vaccine development.
